

# Piano LIFE SAVER

## 2022 Incentives

There are two separate incentive programs that are available to all North American installers of the Piano Life Saver system. The Annual program is a 12-month running tally of how many Systems an individual installs. It resets every January 1, and the awards are shipped out during the first part of the following year. The Lifetime program never resets and is simply an ever-increasing number of installs. Awards for this program are sent out on an individual basis annually and includes incentives for all levels achieved not previously redeemed.

### ANNUAL AWARDS

- 10 Systems installed in the calendar year - 4 of the UHP-4 packs of pads, liners, and clean sleeves
- 20 Systems installed in the calendar year - UHP-48 pack of pads and clean sleeves
- 30 Systems installed in the calendar year - 1 free G6PS-38 Piano Life Saver System for grand pianos
- Every subsequent 30 installs earns another free System
